A review of the determination of the above planning application has been requested by the applicant for planning permission. In due course the review will be considered by the Council's Planning Review Body. The Notice of Review and all other related documentation can be viewed at the address below and via this link:

http://www.highland.gov.uk/info/20003/committee_information/524/planning_review_body/6

I am advised that you lodged representations in response to the planning application. A copy of all representations lodged in response to the planning application will be carried forward to the review in order that these may be taken into account by the Planning Review Body. Having considered the Notice of Review lodged by the application, if you wish to lodge any further written comments or points of clarification, these should be sent, within 16 days of the date of this letter, via the ePlanning.scot portal using the Post Submission Additional Documents online form: <https://www.eplanning.scot>. Alternatively, please email this information to review.body@highland.gov.uk quoting the relevant application reference number. These further written comments will be made available to the applicant. **Please note this is not an opportunity to introduce new information.**

The Notice of Review will thereafter be considered at a meeting of the Planning Review Body. Dates, times and locations of meetings can be found on The Highland Council website. Please

note that the Review Body may use Google Earth, Street View or such other similar system during the Meeting to familiarise the Review Body with the location of the proposed development and its surroundings. Once the Planning Review Body has determined the Notice of Review the decision will be published on the Highland Council website, alternatively you can request a paper copy of the decision.

Yours faithfully

Claire McArthur
